

## Soil Surfactant & Soil Amendment

### GUARANTEED ANALYSIS

Vermacompost Extract . . . . .	19.0%
Kelp . . . . .	1.0%
Other Ingredients . . . . .	80.0%

Derived from: vermacompost (worm castings), sea kelp and water

### Non Plant Food Ingredients:

Yucca . . . . .	1.0%
Humic acids . . . . .	1.0%
1 X 10 <sup>5</sup> cfu's <i>Azotobacter paspal</i> per ml of product	
1 X 10 <sup>5</sup> cfu's <i>Azospirillum lipoferum</i> per ml of product	
1,000 cfu <i>Glomus mosseae</i> per ml of product.	
1 X 10 <sup>6</sup> <i>Bacillus Megaterium</i>	

Derived from yucca plant, leonardite ore, and vermacompost (worm castings).

### CAUTION: KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat, or skin. Avoid contact with eyes, skin, and clothing.

### General Information

KaPre AG soil surfactant and amendment improves soil structure, provides nutrition for beneficial microorganisms and helps fertilizers penetrate compacted soil. KaPre Ag contains a combination of humic acids, yucca, soluble sea kelp, amino acids and an organic vermacompost extract rich in naturally-occurring microbes.

This product is manufactured and distributed by:  
LidoChem, Inc. • 20 Village Court Hazlet, NJ 07730  
732-888-8000

### Directions

Read DIRECTIONS FOR MIXING and CONDITIONS OF SALE. Do not mix with pesticides. Keep container tightly closed.

### Directions for Mixing

Mix with water (5 – 50% solution) and apply 1 – 8 pints of KaPre AG per acre at or prior to planting and every 7 – 28 days throughout the growing season.

Liquid products will disperse in water with little agitation. Any residue in pails is water-soluble. Triple rinse pails and add contents to the spray tank. Do not reuse container.

**TANK MIXES:** Do not mix with pesticides. Do not mix with other chemicals without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms then apply the products separately.

### Storage and Disposal

**Storage:** Store product in original container away from children and domestic animals. Do not contaminate water, food or feed by storage or disposal.

**Product Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

### Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the sellers control, the sellers liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
