Derived from worm castings.	

CAUTION: KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid breathing dust. May cause irritation of nose, throat, or skin. Avoid contact with eyes, skin, and clothing.

General Information

KaPre™ VermaCal G is a unique, fine-granular organic fertilizer that combines the nutritional, ecological, and microbial benefits of worm castings and coral calcium. Each casting is enriched with organic coral calcium and trace amounts of 60 – 70 minerals, which also makes them easy to store, handle and apply.

Performance Nutrition is a division of LidoChem, Inc.

This product is distributed by:

MANUFACTURED BY:

Vermi-Technology Unlimited
Orange Lake, FL 32681

Directions for Use

Agricultural Crops (All vegetables):

Incorporate 50 to 200 lbs per acre applied every 2 to 4 weeks depending upon rate and nutrient demand.

Turf and Ornamentals:

New Turf Installation

Incorporate 50 to 200 lbs per acre into the top 1 to 1½ inches of soil prior to sod or seed installation. For poor soil, KaPre VermaCal G should be incorporated into the top 3 to 3½ inches of soil.

Turf Maintenance

On golf course greens, tees and fairways, commercial & residential lawns and sports turf.

- Aerify surface to be treated.
- Broadcast 4 to 8 lbs of KaPre VermaCal G per 1,000 ft².
- Drag KaPre VermaCal G into holes.
- Top dress as normal.

Note: Apply KaPre VermaCal G at each aerification.

New Plant Installation

Incorporate KaPre VermaCal G into the planting mix at time of installation. Planting Beds: 10 - 15 pounds of KaPre VermaCal G covers 1,000 sq. ft. tilled into the top 1 to 1½ inches of soil.

Plant Maintenance

Prior to mulch, spread KaPre VermaCal G around the base of the plant. For larger trees and shrubs best results are achieved through Air Knife/Vertical mulch following a 2 ft. grid, fill each hole with 1 to 5 lbs of KaPre VermaCal G.

Conditions of Sale

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the sellers control, the sellers liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.
